## ★ *What is Homers for Hope?*

Homers for Hope (founded in 2010) is a 501C3 non-profit organization. Homers for Hope was organized by a group of recreational baseball players whose fellow teammate, Rip Roscioli, tragically passed away leaving a wife and young son. Homers' first fundraiser was a benefit for the Roscioli family at a local little league field. Today, Homers has grown to host regional championship events in professional stadiums as well as home run derbies and baseball clinics.

Homers for Hope helps families in the Delaware Valley who have suffered great tragedies and now are unable to pay bills or facing eviction. We help people stay comfortable in their homes and offer them fun events to attend to try to unplug from the stress of day to day life.

These families were once exactly just like you and me—people who through no fault of their own have tremendous odds to overcome. Homers for Hope is there to help pay their bills. We have helped veterans, volunteer firefighters, moms, dads, grandparents, the unemployed and people with cancer and MS. Tragedies happen everyday and can happen to anyone. We hope that you will help us to help your neighbors.

## ★ *How Homers for Hope works.*

Homers for Hope hosts many regional events that raise money for our families. The events typically have a baseball, softball, or wiffleball theme and Homers also sponsor traveling tournament teams and baseball clinics. We have business networking events, cooking contests and Hand Bag Bingo events. There is something for the entire family to do.
